Joining the Powder Ridge Patrol---What's Involved?

Requirements:

As a patroller you will use your core values of excellence, service, camaraderie, leadership, integrity and responsiveness in caring for the sick or injured at Powder Ridge. Patrol's primary responsibility is to provide medical services and promote a safe environment for the guests at our area. Minimum commitment is required to stay active as a patroller at Powder Ridge.

Patrollers participate in a variety of functions, which include patrolling the hill or providing coverage for patrol room duty, in addition to supporting the many activities that Powder Ridge offers.

Outdoor Emergency Care (OEC) Training

- 120 hours of first aid instruction
- 95% commonality with EMT-Basic curriculum
- Practical skills and scenarios final test
- One weeknight Mid August through December
- Annual Connecticut Region OEC refresher

Outdoor Emergency Transportation (OET) Training

- Develop confident skiing or riding skills
- Develop the ability to ski empty/loaded toboggans on any trail at Powder Ridge
- Practical skills test at end of training
